

The GM Goodwrench

Quick Lube!

A true turn-key approach to building customers for life. *Guaranteed Pricing!*

You choose the number of lube bays needed and the type of exterior façade and that's it.

GMDE designs, obtains permits, manufactures the building, installs the equipment, constructs the facility and then trains the staff!

Free Upgrades Available! Stop by Our Booth #1149 at NADA.

The best opportunity to capture 80% of the market that typically does not return to the dealership for regular scheduled service!

Visit us at NADA Booth, #1149!
